City of Junction City

Agenda Memo

07-15-2016

From: Allen J. Dinkel, City Manager

To: Land Bank

Subject: Consider Accepting Additional Properties from Geary

County

Objective: Consider accepting approximately an additional 159 lots that were unsold as a result of the last delinquent tax sale held by Geary County.

Explanation of Issue: Previously, the City Land Bank accepted a large number of lots that were not sold in previous tax sales.

Budget Impact: At this time no special assessments are paid on these lots and if any are sold there is a potential to add revenue from the assessments and/or allow the property to be back on the tax rolls.

Staff Recommendation: There is no doubt the Land Bank has an ample number of lots in their inventory. I also have concerns about these lots and if there will there be any issues with storm water running off of these lots onto others. The Land Bank will also have additional mowing expense. On the other hand, the Land Bank can possibly get some of the lots sold and have some control over the lots. Some of these lots could be very desirable.
